WHAT IS GO CONNECT?

GO Connect is a new, microtransit service that will provide flexible scheduling to those wishing to connect to area transit services. This service will be provided through a contract with Oshkosh City Cab and Cabulance and will open access to jobs, education, and healthcare.

HOW DOES IT WORK?

Riders will be able to request a ride for direct service to and from the Oshkosh Downtown Transit Center and the Neenah Transit Center during the service hours. Similar to ride-hailing services, riders will schedule trips in-advance and will travel in vehicles shared with other passengers.

SERVICE HOURS

GO Connect service hours are Monday through Saturday from 6:15 AM – 6:45 PM. There is no service on the following holidays: New Years Day, Memorial Day, July 4th, Labor Day, Thanksgiving, Christmas, or days celebrated as such.

FARES

The cost of each one-way trip will be \$5.00. Exact fare is required. Drivers cannot provide change. GO Connect one-way passes are also available on the Token Transit App.

All GO Transit & GO Connect fares are subject to change.

HOW DO I SCHEDULE A TRIP?

Call GO Connects vendor, City Cab at 920.235.7001 by 4:30 pm the day before desired travel. Unfortunately, same day rides are not available. While our service only runs Monday – Saturday, City Cab takes calls 24/7.

Riders should be prepared to provide the dispatcher with the following information: first name; last name; phone number; how they intend to pay the fare; accompanying equipment (e.g. oxygen tank & respirators). Non-ambulatory riders with mobility devices requiring an ADA accessible vehicle must specify their needs to dispatch when scheduling.

IMPORTANT SERVICE POLICIES

Advanced Scheduling – All rides must be scheduled by 4:30 pm the day prior to the trip. Any rides not scheduled in advance will not be covered by the program and rides will be subject to full meter fare.

Pick-up Window – The vehicle can arrive anytime within a 30-minute pick-up window, which is defined as fifteen minutes before and fifteen minutes after the scheduled pick-up time. For example, if your pick-up appointment is scheduled for 9:00 am, the pick-up window time frame is 8:45 am – 9:15 am. It is the rider's responsibility to be prepared to board the vehicle within the pick-up window.

5 Minute Wait Time – Once the vehicle arrives for a pick-up, the driver will wait up to 5 minutes for a passenger. If the rider is not prepared to board, the trip will be counted as a no-show and the vehicle will be dispatched to another location.

No-Shows – Each no-show (defined above and under "Cancellations") is documented and three no shows within a three month period will result in suspension of service for 30 days.

Cancellations – If you need to cancel a trip, the cancellation should occur more than one hour prior to the scheduled pick-up time. A late cancellation (less than 1 hour) is considered a no-show.

Wheelchair Capacity – GO Transit vehicles can safely accommodate wheelchairs up to 30" wide, 48" long and up to 600 pounds when occupied. GO Transit per ADA/FTA regulations may decline to carry a wheelchair/occupant if the combined weight exceeds that of the lift/ramp specifications or if the carriage of the wheelchair is demonstrated to be inconsistent with legitimate safety requirements. Riders must provide mobility device

Carry-ons—Each eligible rider is allowed to bring up to four (4) carry-ons. This includes personal belongings and grocery bags.

Safety – To ensure safety, our rider policy prohibits seriously disruptive behavior, public health threats, and refusal to comply with policies & safety rules.
